

## Footsteps of the Pioneers | Winter Log Cabin Adventure

Holiday Duration: 4 Nights

### Overview

This 3-day trip offers a sample of winter adventures including dogsledding, backcountry skiing and snowshoeing. While Algonquin Park is Canada's most popular canoe trip destination, few people have experienced the stunning beauty of the Park in winter. These popular custom log cabin winter breaks are great either for a couple or even better if you can take a group of friends, and no experience is necessary.

Frozen lakes, waist deep snow, wildlife tracks, the howl of a wolf, and the crisp clear air are just a few of the delights of a winter experience. Beyond the sheer beauty, the excitement of mushing your own team of huskies or cross country skiing through the wilderness of the Almaquin trail is sure to keep you on your toes! Group size is limited to 12 guests and two Voyageur Quest guides who prepare delicious meals, allowing you to put up your feet after the invigorating day on the trail.
