

Honeymoon Fly Drive Holiday in Canada | See the Spectacular Rocky Mountains

Holiday Duration: 15 Nights

Overview

Canada is an amazing place for a honeymoon and this fly-drive holiday between Vancouver and Calgary stops for a little longer than usual allowing you more time to relax after all the hectic planning for your wedding day. Frontier Canada has chosen some of its favourite hotels and lodges for this very special holiday, but there are lots of other hotels which we can recommend to suit. We can also include added extras and set up a wedding list for you too; if you want to add a heli-sightseeing, let someone else buy it as your wedding gift!

If you have a little longer, we strongly recommend a few nights in Tofino on Vancouver Island's west coast or perhaps a stop over at Niagara Falls on the way home.

This itinerary is flexible and can be tailor-made to suit you; if you want to add extra days in one area, extend the holiday or maybe change the direction of travel. Talk to one of our experts about how to make this holiday the perfect one for you.

Here's a day-by-day guide to your itinerary. Feel free to ask us to add other days or ideas and excursions by contacting us directly, so we can give you the best price.
