Ontario Fly Drive Holiday

This 11-night self-drive holiday offers a rich sweep through Ontario, beginning in vibrant Toronto where you arrive and enjoy city sights, then driving on to the dramatic Niagara Falls region for the falls, cruise and charming town of Niagara-on-the-Lake. From there you head north into the wilderness of Algonquin Park (via the Muskoka area) for three nights of natural beauty, hiking and possibly wildlife, then continue on to the national capital of Ottawa for city culture, historic sites and the Rideau Canal. Your final stretch takes you to historic Kingston on the St. Lawrence River to explore waterfront streets, 19th-century forts and the 1000 Islands area, before driving back to Toronto to fly home.

This itinerary is flexible and can be tailor-made to suit you; if you want to add extra days in one area, extend the holiday or maybe change the direction of travel. Talk to one of our experts about how to make this holiday the perfect one for you.

Day 1-2

Toronto

Fly into Toronto and on arrival make your own way downtown – a taxi is quick and easy and is a set fare to and from the airport.

Visit impressive city landmarks such as the CN Tower or the Rogers Centre, explore the harbour front district on foot or by boat, take in a world-class theatre production, or find a shopping bargain or two at the multi-level Eaton Centre or in the many shopping areas in the city.

2 nights in Toronto.

Day 3

Toronto to Niagara Falls

Pick up your hire car and drive the 2 hours to Niagara Falls. Make time to explore the falls and take a tour on the Hornblower Niagara Cruise. Drive to Niagara on the Lake, an historic and very pretty town. Alternatively stay right in Niagara with a room overlooking the falls themselves.

Spend 1 night in Niagara on the Lake

Days 4-6

Niagara Falls to Algonquin Park & Muskoka

Drive north through charming rural villages and the pine and granite landscape of the Muskoka region before arriving at the magical Arowhon Pines deep in the Algonquin Park. All meals are included. Spend the next few days enjoying the resort and Algonquin Park. The park is a beautiful wilderness where you might well see moose, black bear and if you are really lucky, hear the wolves howl. It is a wonderful place to see the autumn colours, for a gentle paddle along one of the many waterways or to hike one of the many trails.

3 nights in Algonquin Park.

Days 7-8

Algonquin Park & Muskoka to Ottawa

Continue driving through Algonquin Park and onto Ottawa. Take day 8 to enjoy the city. Take a stroll along the Rideau Canal, which is a UNESCO World Heritage Site and in winter becomes the world's longest skating rink. Pass by the residences of the Prime Minister and Governor General, the Parliament buildings and visit the Royal Canadian Mounted Police (RCMP) Museum and Stables or the Museum of Civilisation.

2 nights in Ottawa.

Days 9-11

Ottawa to St Lawrence River & Kingston

Drive to Kingston and spend the next couple of days exploring. Stroll through the historic downtown, where limestone buildings house boutique shops, cafes, and galleries. Visit Fort Henry National Historic Site for a glimpse into 19th-century military life and enjoy panoramic views of Lake Ontario. Take a Kingston 1000 Islands Cruise to see the scenic archipelago and learn about the area's history. Visit the Kingston Penitentiary for a fascinating guided tour of Canada's most infamous former prison. Wrap up your visit with a walk along the waterfront trail

3 nights in Kingston.
