

## Quebec City Break | A Whale's Tail and Two Cities

Holiday Duration: 7 Nights

### Overview

This one week itinerary combines the cosmopolitan city of Montreal with the historic Quebec City.

We have included a train transfer between these two popular cities as it's a very easy and convenient way to travel between the two cities.

This trip also includes a full day trip to Tadoussac whilst in Quebec City to take in some whale watching – it seems silly not to!

**Keep this as a short holiday or add other parts of Quebec to create a longer holiday; the choice is yours.**

**This itinerary is flexible and can be tailor-made to suit you; if you want to add extra days in one area, extend the holiday or maybe change the direction of travel. Talk to one of our experts about how to make this holiday the perfect one for you.**

Here's a day-by-day guide to your itinerary. Feel free to ask us to add other days or ideas and excursions by contacting us directly, so we can give you the best price.
