

Royal Caribbean – Ovation Of The Seas | Alaska Glacier Cruise

Holiday Duration: 7 Nights

Overview

The Quantum class of ships is a new leap forward in vessel design with groundbreaking innovations like RipCord by iFly, the first skydiving experience at sea. And the North Star, a jewel-shaped, glass capsule with a spectacular ocean view.

Royal Caribbean International's cruise ships are the most innovative and exciting in the travel industry. From rock-climbing walls on every ship, to elegant dining rooms and relaxing spas, your experience onboard is nothing short of incredible. And the service you get will be just as amazing, with their signature Gold Anchor Service on every ship.

This itinerary is flexible and can be tailor-made to suit you; if you want to add extra days in one area, extend the holiday or maybe change the direction of travel. Talk to one of our experts about how to make this holiday the perfect one for you.

Here's a day-by-day guide to your itinerary. Feel free to ask us to add other days or ideas and excursions by contacting us directly, so we can give you the best price.

Day 1

Seattle

Seattle is often characterised by its relaxed attitude and rainy climate, but this thriving metropolis also offers one-of-a-kind architecture, the Olympic and Cascade mountain ranges, and a unique urban sophistication.

Day 2

Seattle to Inside Passage

Cruising – sit back, kick off your shoes and put your feet up during our 'at sea' days, where you can chill in the bar, lounge by the pool or enjoy a relaxing beauty treatment in the spa. For simple pleasures, why not try a

game of table tennis? Or if you're feeling energetic, now's the chance to explore all the amazing activities the ship has to offer, from spectacular, West-End-style entertainment to adrenalin-charged sports.

Day 3

Inside Passage to Juneau

Juneau, the capital of Alaska, was founded during a gold rush in 1880. Today, the former gold-mining town counts among its riches some of Alaska's most spectacular scenery. Nestled at the foot of Mt Juneau in the Alaska Panhandle, it faces the water from the mainland side of Gastineau Channel. Several magnificent fjords are located along the channel coast and the majestic Mendenhall Glacier, a favourite of visitors, is nearby.

Whizz above the tundra on a zip wire or experience the amazing buzz of mushing with husky sled dogs across the snow. Soar above a glacier in a helicopter or pan for gold like the pioneers of yesteryear. Watch humpback whales, seals and orcas up close or glide in a gondola to Mount Roberts for some breath-taking views.

Day 4

Juneau to Skagway

When gold was discovered in the Klondike region of the Yukon Territory (just across the border from Alaska), it resulted in the historic Gold Rush of 1898. As thousands of gold-crazed adventurers sought the best starting point for their arduous trek, they found the deepest penetration possible by boat was at the northern tip of the Lynn Canal. This is how Skagway was born.

Ride the White Pass and Yukon railroads in a vintage rail car, learning the fascinating history of the Klondike Gold Rush. Meet a musher from the world-famous and gruelling Iditarod dog-sled race or discover Skagway's breath-taking mountains and glaciers on a thrilling helicopter trip. Fly over the treetops on an exhilarating zip-line ride or explore Skagway's stunning scenery by boat, jeep, bike or kayak.

Day 5

Skagway to Endicott Arm & Dawes Glacier

Keep an eye out for bears, eagles and harbour seals on your trip through spectacular Endicott Arm Fjord, Alaska. Be amazed by the sheer granite walls soaring high above the fjord and the towering waterfalls cascading down. At the head of the fjord, marvel at the impressive Dawes Glacier, where huge chunks of ice drop dramatically into the sea as blue glacial ice meets water.

Day 6

Endicott Arm & Dawes Glacier to Inside Passage

Cruising – sit back, kick off your shoes and put your feet up during our ‘at sea’ days, where you can chill in the bar, lounge by the pool or enjoy a relaxing beauty treatment in the spa. For simple pleasures, why not try a game of table tennis? Or if you’re feeling energetic, now’s the chance to explore all the amazing activities the ship has to offer, from spectacular, West-End-style entertainment to adrenalin-charged sports.

Day 7

Inside Passage to Victoria

Located on the southern tip on the island of Vancouver in British Columbia, the city of Victoria is probably best known for its mild climate and active outdoor lifestyle. (In fact, the city has been named the 'fittest city' in Canada more than once.) As the capital of British Columbia, the city is very tourist-friendly. Among the many attractions are world-famous gardens, its 150 years of British history, gourmet dining and fantastic shopping.

Enjoy a garden tour of floral Victoria on Vancouver Island, known as the City of Gardens because of its mild climate and spectacular summer hanging baskets. Outdoor lovers will adore biking, kayaking, fishing, zip-lining and whale watching in the breath-taking scenery while Butchart Gardens, Canada's oldest Chinatown and historic Craigdarroch Castle provide plenty of fun-filled exploring.

Day 8

Victoria to Seattle

Back to Seattle early morning. We can extend your stay here or you can take your return flight back to the UK.
