

The Ocean Train – VIA Rail | Montreal to Halifax

Holiday Duration: 1 Night

Overview

The Scenic Splendour – Montreal to Halifax.

The Ocean begins in Montreal and journeys overnight through the rural communities of Quebec's South Shore to New Brunswick – where you could hop off in Moncton and spend a few days exploring the Bay of Fundy – and onwards, arriving at Halifax in the afternoon. This is a wonderful way to experience two distinct regions of Canada. We recommend Sleeper Plus Class which includes meals on board the train, overnight accommodation in the sleeping cars (private cabins), access to the Park Car with lounges and scenic dome seating area.

Year round, choose the relaxing ambience and attentive service of budget travel in Economy class, or upgrade to Sleeper Plus Class.

If you travel in Sleeper Plus class between mid-June to mid-October as well as delicious meals included in the price of your ticket and exclusive access to the Park car, you will also have informal presentations and activities on the Maritimes as part of the Maritime Experience.

This itinerary is flexible and can be tailor-made to suit you; if you want to add extra days in one area, extend the holiday or maybe change the direction of travel. Talk to one of our experts about how to make this holiday the perfect one for you.
