

Celebrity Cruises – Eclipse | Alaska Hubbard Glacier Cruise

Holiday Duration: 7 Nights

Overview

The Celebrity Eclipse takes you on the Hubbard Glacier cruise. A 7 night round trip to Alaska from Vancouver, you will take in the Inside Passage, Icy Strait, Hubbard Glacier, Juneau & Ketchikan.

Onboard Celebrity Eclipse, your journey becomes a destination in itself. Whether you choose to treat yourself to an indulgent treatment at the world-renowned Canyon Ranch spa, or get competitive with some games at the Lawn Club (our very own half acre of real grass), there's luxury on every level onboard Celebrity Eclipse.

As night falls, head to the Martini Bar where you can enjoy a cocktail; our talented bartenders transform mixing your evening drink into jaw-dropping entertainment. Or, simply sit back and admire the night sky from the Sunset Bar on the top deck.

This itinerary is flexible and can be tailor-made to suit you; if you want to add extra days in one area, extend the holiday or maybe change the direction of travel. Talk to one of our experts about how to make this holiday the perfect one for you.

Here's a day-by-day guide to your itinerary. Feel free to ask us to add other days or ideas and excursions by contacting us directly, so we can give you the best price.

Day 1

Vancouver

Every bit as cosmopolitan as Seattle, with a distinctive European flair, Vancouver is the Canadian jewel of Puget Sound. From the cobblestone streets of the Gastown district to Little Italy and Chinatown, Vancouver has something for everyone.

Day 2

Inside Passage Cruising

This is one of the most famously beautiful passages in all the world. It features virtually everything you came to Alaska hoping to see, including rain forests, glaciers, fjords and white-capped peaks. All of which create a setting that's perfect for viewing whales and sea lions.

Day 3

Icy Strait Point

Fifty miles west of Juneau and at the mouth of Glacier Bay, lies historic Icy Strait Point. Travelers have the unique opportunity to experience Tlingit culture, superior wildlife viewing opportunities and years of Alaskan history.

Day 4

Hubbard Glacier

Hubbard Glacier is the one glacier in the world that does not move at a glacial pace. Quite the opposite. In fact, in 1986, Hubbard Glacier – the largest tidewater glacier on the North American continent – moved an average of just under 5.5 feet per hour. Keep a watchful eye as you sail through the Yakutat Bay, as you may be a witness to geological history.

Day 5

Juneau

Where Earl Grey meets Eddie Bauer® would be a good way to describe the charms of Alaska's capital city. Here the pioneering spirit lives on in an interesting mix of cosmopolitan chic and frontier ruggedness. Visit the Alaska State Museum and its exquisite collection of Russian Orthodox and Gold Rush relics.

Day 6

Ketchikan

In addition to being the jumping-off point for seaplane excursions into the Misty Fjords National Monument and its 2.2 million acres of wilderness nirvana, Ketchikan is also the ancestral home of the Tlingit tribe. Another "must-see" here is the world's largest collection of totem poles. You can learn what motivates someone to turn a piece of lumber into a towering work of art at the Saxman Native Village and Totem Bight and Totem Heritage Center.

Days 7-8

Inside Passage to Vancouver

Inside passage cruising and then after the last night disembark in Vancouver.
